FIRST IN SERVICE TO READERS

ANTIOCH, ILLINOIS, THURSDAY, SEPTEMBER 28, 1950

FIRST IN RESULTS TO ADVERTISERS

NUMBER 9

Wilton Electric Co. to Have New Bldg., Replacing Frame One

Removal of the frame building at 924 Main st., occupied by the Wilton Electric Co., for replacement by a more modern structure is in progress.

Robert J. Wilton owner will direct the building of a one-story room 22x75 to house adequately his electrical business. The front will be of stone and the rest of the building cement block. He hopes to have it completed for the reopening of his store before Christmas.

The front two-story part of the present building has been sold to Ted Palaske who is moving it to Bishop st., where he will convert it into a residence.

The rear one-story part has been dismantled.

Mr. Wilton has moved his business to the Delaney plumbing shop at 384 Lake st., until his new building is completed.

The building, one of the oldest in the village, has been a landmark for longer than most residents can remember and has housed successively a shoe store, owned by a Mr. Hegeman; a furniture store owned by L. B. Grice; and the electrical shop which has occupied the building since 1928. It was erected first on the east side of the street about half-block north of the present location and was moved to the present site by Mr. Grice. The building was purchased by Charles and Fern Lux in 1928. The building was acquired by R. J. Wilton in 1944.

Lakeside Girl Scout Council to Meet Oct. 2 at Antioch Scout Home

The Antioch Scout house will be the scene of the important first Girl Scout Council meeting this fall.

Women from Antioch, Lake Villa, Grass Lake, Fox Lake, Big Hollow, Round Lake, Grayslake, Long Lake, Millbrook, Grayslake and Gages Lake, will be on hand at 8 p. m. to formulate policies and elect officers for the coming year.

Over 400 girls (7-17 yrs.) within these several communities, are registered members of the Girl Scouts of the U. S. A. As such, they share the high ideals and standards of this growing youth organization.

Democracy, as a way of life, is personified in the varied activities offered the girls through the Girl Scout program. Interpreted and shared together, by adult volunteers—women whose services are cheerfully given, Girl Scouting is an adventure of unlimited possibilities in both National and International friendship.

Officers for the coming year to be elected at the Lakeside Council meeting are: Mrs. C. M. Trowbridge, Grayslake, president; Mrs. Theodore Owens, Fox Lake, vice president; Mrs. Mildred Johnson, Grayslake, treasurer and Mrs. Earle Morser, Long Lake, camp chairman.

Other members of the Board are Mrs. J. MacMillan, Round Lake, registrar and Mrs. Chris Madsen, Gages Lake, secretary.

Adult volunteers for leaders of Girl Scout Troops are still needed in many of these communities. Any women interested in girls, and willing to give some of their time, are asked to contact Mrs. Trowbridge.

The annual cookie sale, the only Council money raising event for the year, is again under the able leadership of Mrs. Mervyn Smith. It will be held some time in October and early November.

The Council is looking forward to a new event this year, a Girl Scout Fair and exhibit. Girls and leaders are still formulating plans and ideas and publicity on this will appear at a later date.

Firemen Attend County Meeting at No. Chicago

Several members of the Antioch fire department attended the meeting of the Lake County Firemen's association at Foss Park auditorium in North Chicago Monday evening. Lew Van Patten, Jr., and Vernon Barnstable were delegates and Secretary Clarence Shullis and Einar Petersen were also present. Abbott Laboratories were hosts.

A speaker from a lightning rod manufacturing concern in Indiana, gave an illustrated talk on the use of lightning rods. He told the firemen that unless the rods were properly placed and constructed they were worse than none at all, but that if satisfactorily put up, are a great help to safety of individuals and prevention of fires.

Hyre Promises Lights By November 1, Sure

Roy T. Hyre, head of the Hyre Electric Co., Chicago, with residence at Channel lake, told members of the Lions club that the new lights for downtown Antioch will be installed by Nov. 1.

Slowness in getting materials has held up the work so far, but now he is certain of supplies and expects to start work within the next two weeks.

It is probable that the village board will at its meeting next Tuesday ask the Illinois Bell Telephone Co., to hasten its work of changing over from the overhead cables to the underground cables that were recently installed so that the wood poles can be removed for replacement with the light standards.

The standards bearing the mercury vapor lamps will be placed about 75 feet apart in a staggered fashion.

Antioch Loses Opener To Northbrook High; To Play Bensenville

After leading all the way through the third quarter Antioch High lost its opening game of football to Northbrook here Friday night 16 to 6.

"The boys were dead on their feet and weren't aggressive enough," said Coach Maurice Kruzan in analyzing the play of the Sequoits. "The passing defense was good, and our quarterback played a good game," but the line was sluggish and the opposition was getting a full step on them.

Antioch got the breaks in the game too, Coach Kruzan admitted. After a punt was blocked in the first quarter, Northbrook was found off side and the ball was called back. Again the punt was blocked, but the ball rolled across the line for a 2-point safety.

The Sequoits got their only score in the second quarter when Buzz Haviland's pass to his brother Tom netted 40 yards for a touchdown.

The teams battled on an equal basis until the fourth quarter when Northbrook scored and converted, bringing the score to 9 to 6. With but a minute to go, Antioch from its 10-yard line took a chance on a forward pass on fourth down and failed, losing the ball in dangerous territory. A Northbrook back skirted the end for the additional touchdown and goal was kicked.

The Sequoits will play at Bensenville next Saturday night. The Sophomores will play a curtain raiser at 6 p. m. and the varsity will play at 8 p. m. Bensenville won a last-minute victory over Elia last weekend 6 to 0.

"We've got to be more aggressive if we are to win at Bensenville," said Coach Kruzan.

Freshman Football Squad To See Illini-Ohio U. Football Game Saturday

The Antioch High school freshman football squad of 22 members and eight other athletically inclined boys of that class will go to Champaign, Ill., Saturday in seeing the Illinois-Ohio University (Athens, O.) football game.

The boys will be guests of the state university, paying only the tax to see the game. They will leave at 6:30 a. m. in the school bus and will be chaperoned on the trip by Principal R. C. Edmundson.

Principal Edmundson said that the sophomore and the varsity football squads will be privileged to see a big ten game later in the season.

Lions Have Golf Party Plan Dinner Dance Next

Twenty-six men participated in the Lions golf tourney Monday and 40 attended the dinner that followed at the Chain O' Lakes Country Club.

Harry Linder won the golf tourney and received a fountain pen set as his prize.

President Irving Carey appointed Linder, E. C. Jacobs and K. F. Deltrick as a committee to plan a dinner dance for Oct. 9 or a date near then, for members and their wives, or other guests.

We Have Fireplace Too

When Sydney J. Harris, Chicago Daily News columnist wrote from Carmel, Calif., that that city boasted the only public library in the United States with an open fire place, an Antioch reader immediately notified that paper that Antioch has a fireplace in its new library.

Bear Hunt at Grass Lake Draws Interest of County; Animal Escapes at Resort

A 150-pound black bear that escaped from its cage at the Pregonzer resort on Grass Lake last Saturday participated in a hunt that overshadowed in interest even the Korean war so far as the northern part of Lake county was concerned.

Louis Pregonzer, owner, said last evening that according to last reports the animal was last seen by three persons at the Otis hotel on the north shore of Fox Lake about a mile from where it left its cage. Sheriff's deputies spent several hours Wednesday hunting the bear, but without success.

They were first notified of the animal's escape Monday when Mrs. Robin Golden, teacher at Grass Lake school became fearful for the safety of the school children who saw the animal lumbering through the woods near the school house.

Pregonzer told deputies that the bear, while apparently harmless just got fed up with the rigors of civilization and answered the call of the wild.

He said that the animal weighed 200 pounds when he brought him home recently from the north woods, but that it went on a hunger strike in protest against captivity and lost about 50 pounds.

The resort owner agreed that the best thing to do is to kill the bear and hunters were invited to try their luck.

The bear hunt was on immediately.

Catholic Women Will Hold District Meeting In Antioch Wednesday

The official opening of the club year heralds the approach of the annual fall series of district meetings of the Chicago Archdiocesan Council of Catholic Women. The tempo of activities is quickened in each parish and club affiliate of the Council as plans are formulated for another year's activity in the lay women's apostolate.

Twenty meetings are scheduled in Cook and Lake counties between Sept. 25 and Oct. 13.

The meeting for the Lake county district is set for 2 p. m. Wednesday Oct. 4, at St. Peter's parish, Antioch, of which Rev. F. M. Flaherty is pastor and Mrs. Mariann Hedberg, Lake Villa, parish president.

Mrs. Alex Rafferty, Jr., 628 Laurel Ave., Highland Park district president, will call the meeting to order.

Activities announced The Rev. James C. Curry, ACCW executive director, has announced that the program this fall will include participation in home nursing activities of the American Red Cross and in the Community Fund. Scheduled for special accent are the Council's standing committees: daily Mass, retreat, study club, literature and library, medical missions, St. Vincent's orphanage, and decency crusade for the protection of the morality of youth.

Two guest speakers include the Rev. Thomas J. Fitzgerald, ACCW assistant director, discussing "A Woman's Faith," and Mrs. Edmund J. Sullivan, archdiocesan president, speaking on "Leadership in the Lay Apostolate."

Among the delegates at these meetings are those from the following parishes and club organizations in District Lake County:

St. Peter, Antioch; St. Anne, Barrington; St. Mary, Buffalo Grove; Holy Cross, Deerfield; St. Bede, Fox Lake; St. Mary, Fremont Center; St. Gilbert, Grayslake; Immaculate Conception, Highland Park; St. James, Highwood; St. Mary, Lake Forest; St. Joseph, Libertyville; Santa Maria del Popolo, Mundelein; Holy Family, North Chicago; Holy Rosary, North Chicago; St. Theresa Palatine; St. Joseph, Round Lake; St. Peter, Volo; St. Patrick, Wadsworth; Transfiguration, Wauconda; St. Anastasia, Waukegan; St. Bartholomew, Waukegan; St. Joseph, Waukegan; Immaculate Conception, Waukegan; Mother of God, Waukegan; St. Patrick, West Lake Forest; Catholic Daughters of America; Catholic Women's Club of Waukegan and North Chicago.

To Rebuild Haerther Home

Joe Nader, Lake Villa, has been given the contract of rebuilding the W. W. Haerther residence on Deep Lake road that was badly damaged by fire recently. The loss to the house was estimated at \$40,000 and the contents the same amount. Nader is just completing the exterior work on the nearby Peacock Children's home which was destroyed by fire.

Lions Club Provides Score Board for High School Football Field

Louis A. Biel and Ed Sletten complained at the Lions club meeting Monday night they went home Friday from the Antioch-Northbrook football game not knowing what the score was because there was no score board.

President Irving Carey immediately put them and Harold Cardiff on a committee to see that a score board was provided.

They got busy and within two days the work was started.

The board will be hung on the baseball backstop as a support and can be taken down and stored when the season is over.

Thus the Lions acted quickly in providing another service to the community.

Funeral Services for William J. Pearl, 81, To Be Held Fri.

William J. Pearl, 81, father of Mrs. L. John Zimmerman, of Antioch, died at Lake Villa, September 26, following a lingering illness. He was born January 25, 1869 at Philadelphia. He was employed as an official with the Pennsylvania Railroad, starting as a boy of 15. Retired after 50 years of service. He and Mrs. Pearl came to Antioch to make their home eighteen years ago. Mrs. Pearl preceded him in death July 12, 1943.

Besides his daughter, Mrs. Zimmerman, he leaves a son, Elmer Jackson Pearl of Audubon, New Jersey, four grandchildren and three great grandchildren; a brother Frank of Westmont, New Jersey and a sister Mrs. C. Melvin Sharpe of Washington D. C.

Private funeral services will be held at the Strang funeral home at 2 p. m. Friday. Fr. Roberts E. Ehrgott will have charge of the services. Interment will be in Hillside cemetery. The family requests no flowers.

Henry Melzer, Dies In Waukegan Hospital

Henry J. Melzer, 76, Indian Point, Antioch, died Friday, September 22, at 4 p. m. at the Lake County General hospital, Waukegan, following a lingering illness.

He was born September 5, 1874 in Bavaria, Germany and came to the U. S. when a young man, making his home in Chicago before coming to Indian Point 40 years ago.

He was a member of Sequoit Lodge A. F. & A. M. No. 827 of Antioch. Survivors include his wife Sophia, four daughters, Mrs. Gertrude Mayer; Mrs. Mildred Marshall, Mrs. Odeline Hogge, all of Chicago; Mrs. Emma Walker, of Philadelphia, four grandchildren and 4 great grandchildren.

Masonic services were conducted by Sequoit Lodge Monday at 2 p. m. at the Strang Funeral home. Burial was in Grass Lake Cemetery.

Lake County Health Commission Speaker To Address Club

Mrs. Robert Palmer, campaign chairman for the proposed Lake County Public Health commission, will speak before a meeting of the Channel Lake Community club on October 8. The meeting will be held at the Channel Lake school, and all residents of the Lake Region are invited to attend and obtain information on the proposed County Health Department.

Alfred J. Pedersen, 62, Founder of Implement Firm, Taken by Death

Alfred J. Pedersen, 62, well-known Antioch business man, passed away Sunday morning at his home at 492 Lake street, after several years of failing health.

Mr. Pedersen was born December 11, 1887 in Denmark, he came to the U. S. at the age of 4 years and had made his home in Waukegan and Antioch Township until 5 years ago when he purchased a home at 492 Lake street in the village of Antioch, where he passed away.

He was united in marriage to Miss Mame Griffin, June 21, 1911 in Antioch. He was engaged in farming for many years, his farm being located east of Antioch on Rt. 173. Later he became engaged in stock trucking and implement business, which is now being carried on by his sons, Robert and Alfred. One of Mr. Pedersen's greatest pleasures was giving young men a helping hand.

Survivors include his wife, Mame 6 daughters, Mrs. Helen Nelson, Antioch; Mrs. Rose McCord, Brodhead; Mrs. Grace Yahnke, Philadelphia; Mrs. Lena Dalgard, Antioch; Mrs. Edna Dalgard, Lake Villa and Miss Alice Pedersen, Antioch; two sons, Robert and Alfred, both of Antioch; a brother, Arthur, of Waukegan; four sisters, Edith Sorenson, Waukegan; Anna Poulsen, Whitewater; Dora Boynter, Gurnee; Agnes Brumfield, Lake Villa; and twelve grandchildren. His parents Andrew and Christina and a sister, Mrs. Mary Toft preceded him in death.

Funeral services were held at the Strang Funeral home Wednesday at 2 p. m. The Rev. Dean Howard Ganser of Waukegan, a life long friend of the family, officiated. Interment was in Hickory cemetery.

Sophomores to Entertain Freshmen Tomorrow Night

The sophomore class of the Antioch Township High school will give a welcome party for the freshmen at 7:00 p. m. tomorrow in the auditorium of the school.

The following committees have been appointed to provide for the party:

Entertainment—Jerry Quilty, Joan Cervenka, Margie Haling, Marge Oordom, Karen Martin and Mary Misset.

Clean-up—Boake Baird, Ken Pedersen, Tom Elwood, Eugene Baethke and Bill Wilson.

Refreshments—Judy Gaston, Patsy Miller, Jean Hughes, Nancy Cunningham and Nancy Vance.

Invitations—David Petty, Bruce Stahmer, Fred Stahmer, Ralph Rule, Jack Nelson, Jim Osmond, Andy Anderson, and Bob Seekatz.

Rescue Squad Gives Aid To Long Lake Motorist Hurt in Mystery Crash

Sheriff's deputies are investigating an accident on Rte. 59 Sunday night in which Daniel Bright, 36, of Long Lake was seriously hurt. Bright said he either leaped or fell from his 1950 coupe as it sped across the crest of a hill a half mile north of Grand Ave.

The Antioch Rescue squad took him to Victory Memorial hospital with a possible spinal fracture and multiple bruises.

Richard Hedberg, Lake Villa, who saw the mishap said he narrowly missed running over Bright as his car crossed the hill from the opposite direction.

Bright's driverless car continued about 500 feet before it careened into a ditch and stopped.

Name Committee To Study Local Need for Hospital

Findings To Be Reported At Mass Meeting When Ready

A committee that will study every phase of the proposed new hospital for Antioch and vicinity was appointed at a meeting of physicians at the Scout home Wednesday forenoon.

Not only will the committee study the hospital needs of the community but it will study all requirements and will suggest ways and means to accomplish them.

The findings of the committee will be reported at a mass meeting to be called after sufficient time has elapsed for this group to function.

Heading the committee will be Dr. R. D. Williams. The committee members are Dr. A. N. Berke, Dr. D. N. Deering, Dr. M. L. Goldy, Dr. I. L. Breakstone, William Brooks, Mrs. W. C. Petty, Edward C. Jacobs, Irving Carey, Mrs. W. W. Warriner, James McMillen, Dr. L. J. Zimmerman, Harold Cardiff, Austin Pickard and Richard Whitacre.

Many problems will have to be taken into consideration. The needs may call for a certain size building with a certain number of beds. This will entail a certain amount of equipment with employees to operate it. There must be income both for staffing and management.

The physicians who met yesterday are aware of all of these various problems and situations, yet they believe the goals can be accomplished.

Dr. Williams has called the first meeting of the committee for 7:30 p. m. Wednesday, Oct. 11, at the Antioch Scout home.

Howard K. Gaston, editor of the Antioch News served as moderator at Wednesday's meeting in which the physicians discussed the project freely.

Armour's Holstein Sale Tots. \$31,105 for 65 Head; Top Price \$6,700

The second disposal sale of registered Holstein dairy herds in the Antioch area in the last four months saw buyers paying a total of \$31,105 for 65 head of the pedigreed black and whites at the Sunnyside farm of Laurence Armour Monday.

The sale was better than average according to Tom Stoltz, herdsman and farm manager.

The first 57 head brought an average of \$546, and the first nine daughters of the herd sire Ragapple Hartog Pappoose averaged better than \$500.

The highest price paid for any animal was \$6,700 for a cow, Ravensglan Senator Triune, which A. Seiling, of Elmira, Ontario, Canada, took to his farm to improve his strain of the Ragapple line. Armour purchased the cow at the Ravensglan farm sale on May 25 for \$7,200.

Most of the Armour herd went to Wisconsin, Illinois and Ohio bidders. The Hickory Creek farm in McHenry county brought one cow for \$1,350. Robert Rasmussen of the Elmwood farm, Lake Forest, and E. W. Durkin of the Durkdale farm, Waukegan, were other local buyers.

Mr. Armour has not announced his future plans for Sunnyside farm. He has the satisfaction that during the five years he developed the herd, he was quite successful. The herd topped the county testing in butterfat average in 1949.

Heath to Head Chain O' Lakes Region Council

Vern Heath, Channel lake, was elected president of the Chain O' Lakes Region Council for the year at a meeting held at the Channel lake school on Wednesday evening, Sept. 20. Other officers elected include A. J. Novak, vice president; R. L. Binder, Druce Lake, treasurer; Hugh Vincent, Lake Villa, secretary. Heath was appointed local chairman for the Lake County Public Health committee, and said today that organizations of the community would be provided with speakers on the subject by arrangement with him.

Cermaks Have New Baby A baby boy weighing 6 pounds and 6 ounces was born last evening to Mr. and Mrs. Charles Cermak, Jr., of 353 Harden st., at St. Therese hospital. The Cermaks now have two boys and a girl.

Don't Blame The War

"... Prices on almost every building material have risen since January, and are still on the climb," said Wendell D. MacDonald, regional director of the United States Department of Labor Statistics in Boston. These increases, contrary to popular opinion, are found to be due to the heavy consumer demand for housing and increasing wage levels, rather than to the present Korean conflict.

In spite of all fine-spun arguments to the contrary, wages and salaries are the major costs in production. Improved methods in manufacturing, distribution and retailing have reduced operational costs but they cannot forever offset wage and tax increases—hence climbing prices. The retail industry, for example, has decreased its operational cost to a bare minimum. During the current inflation, both chain and independent stores are holding prices down by constantly increasing efficiency. But efficiency alone cannot do the whole job.

If the domestic activities of the Federal and state governments were operated as efficiently as industry, our taxes and the cost of living would be lower and we would have better than a fifty-cent dollar.

* * *

Industry At Its Best

There is one thing about private industry that gives the United States a great production advantage in case of emergency. It does not have to wait on political decisions and appropriations from Congress to get moving. Virtually every basic industry in the nation has told the government it is ready to go ahead and produce what it wants when it wants it.

Take the railroads. In peace or war the country depends on them for moving its major crops, manufactured products, and the people. At the present time more freight cars are needed. Without any long-winded argument the railroads have ordered more than 100,000 new cars this year and thousands more for the next few years. No compulsory legislation was needed to alert them. They did not wait to be told.

* * *

LAKE VILLA

Promotion Sunday was observed at the Community church last Sunday evening with a program by the children and pins and certificates were awarded by Supt. Delbert Sherwood.

The Woman's Society of Christian Service will hold its quarterly pot luck dinner at the church on Wednesday, Oct. 4, with Mrs. Bray, Mrs. Boyer and Mrs. Smith as hostesses. Dinner served at 12:30 and birthdays of members in July, Aug., and September will be observed. Visitors are always welcome.

Next Sunday is World-wide Communion Sunday and will be so observed at the Community church, and you are invited to take part.

Rev. Paul Greer of the Gross Park church in Chicago was guest speaker at the church last Sunday and Rev. Harrison occupied the pulpit at the Gross Park church. He will also take part in special services each evening this week at the Chicago church and on Monday he also began his student work at Garrett Biblical Institute at Evanston.

The Official Board will meet at the church on the evening of Oct. 4 and all members of the Board are expected to be present.

The Royal Neighbors held their regular meeting at the school gym on Tuesday evening this week in preparation for the annual R. N. convention at Gurnee in Oct.

Rev. Harrison and family were guests of Mr. and Mrs. Wm. T. Somers at dinner at their home last Friday evening.

Mrs. Helen Weber and Mrs. Val Weber were hostesses for the Millburn O. E. S. Past Matrons club at a meeting at Mrs. Weber's home at Sand Lake last Thursday evening. Mr. and Mrs. John Effinger have returned from a pleasant vacation at Chetek, Wis., where they enjoyed fishing.

Mrs. Hattie Ballenger has been on a vacation trip to Massachusetts to visit her niece, Mrs. A. L. Jennings, and family there. Mrs. Jennings is teacher of chemistry at Wheaton college in Massachusetts.

Mrs. William Marks left last week Thursday evening for New York to visit her aunt at Hillsdale, N. Y., on the occasion of her 95th birthday anniversary. She hopes to attend a meeting of the United Nations while in New York.

Mrs. Al Boehm entertained the ladies of the Sewing club at a luncheon at her home near Wedge's Corners last Thursday afternoon.

Willard Ladewig, a surgical patient at Veterans hospital at Downey, Ill., was able to spend the weekend at his home here with his family.

Mr. and Mrs. Lester Hamlin and Mrs. C. B. Hamlin were guests of Rev. and Mrs. C. L. Hay at Evanston last Sunday afternoon.

The fire department was called

They did not wait for government aid or handouts. Foreseeing potential danger ahead and greater demand for their services, they acted. Over a billion dollars is being invested in freight cars alone to build up the freight fleet to 1,850,000 cars.

Since 1945 the railroads have spent over \$4,500,000,000 in modernization to increase operating strength and efficiency. They have made these expenditures in spite of low earnings, high taxes and subsidized competition charged to the general taxpayer, including themselves. Since 1945 they have paid several billion dollars to the government in taxes instead of receiving tax subsidies.

Such a record represents private industry at its best.

* * *

The Cowboy Goes South

Down in the Southeast there is a new prosperity literally springing up from the grass roots—a new accent on diversified farming and animal agriculture. Many fields once white with cotton are now green and dotted with beef cattle.

Even land that has been "cropped to death" and abandoned as worthless is staging a strong comeback under a soil-restoring program that includes legumes, special grasses and meat animals.

This is good news indeed because sections of the South have become classic illustrations of tragic soil misuse and erosion. In early times the South suffered heavily as settlers and farmers tilled the land for maximum short-range production of valuable but soil exhausting crops and then moved on to new locations. In those days, when the country was young and sparsely settled, land was one resource that appeared limitless and available to all. The pendulum has now gone full cycle. Land is precious.

The new development in the South is part of a vast land restoration movement. And it is significant that people are discovering that meat production is not exclusively a Western and Midwestern enterprise. Regardless of geographical location a great deal of land is suitable only for livestock raising. An increasing number of farmers are finding that cattle raising fits ideally into sound soil conservation while at the same time producing a cash crop that they can count on year after year. Some four thousand packing houses keep "open house" for all the meat animals that livestock raisers have to sell. Producers can also count on the best possible prices in the light of existing conditions because meat processing is one of the most competitive businesses in existence.

Remember November Seven

A great privilege will be enjoyed by the American people this fall—a privilege they will find difficult to appreciate because it has been handed down to them from generation to generation. On November 7 general elections will be held throughout the land is the individual's assurance of freedom. There is throughout the country. We should all remember vote no ruling class in America, but the people who vote have within their power the ability to decide what kind of government we shall have.

* * *

The Haley group held its first meeting of the season at Mrs. Pam Pavel's home last Thursday evening. Many interesting activities have been planned by the young women. Among them, a bazaar with the date to be announced in the near future. New members are always welcome. Mrs. Pavel, Mrs. Harrison, Mrs. Harry Weber and Mrs. Jenanne Mack were hostesses.

MILLBURN

Sunday, Oct. 1 is World Communion Sunday and every church member and every person who believes in Christianity should be in a church service somewhere next Sunday. Services at Millburn will include Sunday school at 10 o'clock followed by the morning worship and communion service at 11 o'clock. October is also church loyalty month at Millburn and every regular attendant is asked to urge others to attend each Sunday in October. Rev. Messersmith's sermon topic for next Sunday is "Remember".

"Sandy is a Lady" will be the feature picture shown in the recreation room of the church Monday evening, Oct. 2, at 7:30 p. m. These pictures are sponsored by the Men's club.

Mrs. Eva Alling, of Waukegan, was a caller at the Frank Edwards home Sunday evening.

The Couple's club met at the church Tuesday evening with 28 present. Mr. and Mrs. Cecil Cade and Mr. and Mrs. James Foster were in charge of games and refreshments.

The October committee of Ladies Aid will serve dinner cafeteria style at the church Thursday, Oct. 5 at noon. Business meeting at 2 o'clock.

The Past Matron's club of Millburn O. E. S. were entertained at the home of Mrs. Helen Weber, at Sand Lake, Thursday evening.

Among those attending from Millburn were Mrs. William Duncan, Mrs. Ernest Wells, Mrs. Eric Anderson and Mrs. Thomas Harness.

Mr. and Mrs. Frank Edwards spent Sunday evening at the John Edwards home in Libertyville, celebrating the fourth birthday of Susan Edwards.

Mr. and Mrs. Bert Bracher, of Libertyville were callers at the Ed Hoffman home Tuesday evening.

Rev. L. H. Messersmith attended a meeting of the church Federation of Greater Chicago held in the Chicago Temple Monday, where he heard the great Japanese Christian leader Kagawa, as the speaker of the day.

Mr. and Mrs. Ellis Champlin, of St. Paul, were dinner guests at the Messersmith home Sunday.

Mrs. Ethel Saunders and her daughter, Mrs. George DeYoung and children were dinner guests at the Oscar Neahous home Tuesday.

Mrs. Saunders left Friday for her home in New York.

Susan and Lynn Edwards of Libertyville, spent Saturday with their grandmother, Mrs. Frank Edwards.

Harold Bonner returned to East Lansing, Mich., Thursday after three week's vacation at the home of his parents, Mr. and Mrs. Wm. Bonner. Harold is enrolled at Michigan State College in East Lansing.

Rev. L. H. Messersmith, Messdames King, Thain, Erickson, Upton, Truax, Haisma and Weber attended the annual meeting of the Women's Fellowship in Evanston Tuesday.

HICKORY

Mr. and Mrs. Alfred Boehm, of Evanston, and their mother, Mrs. Boehm, were Sunday afternoon and evening guests at the Alfred Dettmering home.

Mr. and Mrs. Fred Leable were

supper guests at the George McNeil home in Kenosha on Sunday in honor of Mrs. Leable's birthday anniversary on Sept. 26th.

Mrs. J. Usinger was hostess at her home on Wednesday afternoon to a luncheon and a surprise show in honor of Mrs. Vincent Stonis who received many lovely gifts. The guests were fifteen members of the Mother's club.

Mr. and Mrs. Alfred Pedersen, Jr., returned home on Monday from a two week's vacation trip to Montana.

Mr. and Mrs. Edwin Dettmering from Waukegan were weekend visitors at Alfred Dettmering home.

Mr. and Mrs. George Handley and Mrs. Lillie Robbins, of Chicago, visited S. J. Handley Saturday afternoon. They also called at the

Hunter and Tillotson homes and at W. D. Thompsons in the evening.

On Tuesday Mrs. Richard Sleyer, of Round Lake, visited Mrs. Wm. Strahan. In the afternoon, both ladies called on a former school mate, Mrs. Johnson, of Waukegan.

Mr. Robinson and daughter, Valerie, of Waukegan, spent Sunday at the Bert Edwards home.

Mr. and Mrs. Roy Heydecker, of Waukegan, and Mrs. Caroline Marble, and Mr. Earle Crawford drove to Beloit on Tuesday, Sept. 19 and Mr. and Mrs. Arthur Gerhardt joined them and they visited the Cave of the Mounds in Wisconsin.

The bake sale Saturday sponsored by the Mother club was a huge success.

Mr. and Mrs. Wm. Thompson,

daughter, Helen, and John and Judy Van Patten spent Saturday in Kenosha.

HAMBURGERS

A hamburger and bun contains 29 per cent of the working man's daily requirements of thiamin.

Safe Port in Storm

One of the safest places you can be during a lightning storm is in our car, if it's an all-steel closed model, as are most modern ones. If the car is struck, the steel body will conduct the current away from the occupants.

SOCIETY EVENTS

Conrad-Toft Wed Saturday Afternoon

Miss Joan Conrad, daughter of Mr. and Mrs. Harry Conrad of Channel Lake became the bride of Raymond Toft, son of Mr. Peter Toft, in a double ring ceremony at the Antioch Methodist church Saturday afternoon at four o'clock.

The Rev. G. Richard Tuttle read the ceremony at an altar beautifully decorated with mums and white gladioli.

Given in marriage by her father, the bride wore a strapless gown of French imported lace slipper satin. Her French illusion finger tip veil was attached to a velvet and seed pearl tiara. She carried white carnations and white mums.

Miss Betty Ring, maid of honor and Miss Elaine Geng, bridesmaid, wore ankle length gowns of cocoa brown chintilly lace over taffeta; their flowers were yellow and brown baby mums with talisman roses.

Homer Toft was his brother's best man and Ben Peterson, brother-in-law of the groom served as usher.

Mrs. Conrad, mother of the bride wore a navy blue satin dress with green velvet accessories and an orchid corsage.

A reception was held following the ceremony at the home of the bride's parents. After a week's wedding trip the young couple will be at home at Marine Grove, Petite Lake. Prenuptial showers were given for the bride by Misses Elaine Geng and Betty Ring and Mrs. Ben Peterson.

COMMUNION TO BE DISTRIBUTED

Joining with Christians throughout the world, the Methodist church in Antioch will observe World Communion Sunday at the 11 o'clock service. The robed choir under the direction of Mr. Charles B. Watson will sing. Two officiating ministers, Dr. T. O. Firing, president of Kendall College in Evanston and Rev. G. Richard Tuttle will administer the sacraments. The annual special offering for Overseas Relief and the Methodist chaplaincy will be taken on World Communion Sunday.

New Nursery Leader

On Oct. 8 Mrs. Richard Ripley will become the head of the nursery which is provided each Sunday morning during the morning worship service at the Methodist church. The nursery is available each Sunday for parents wishing to attend the church services. Mrs. Ripley is making arrangements for equipping the nursery with a crib for tiny children.

Children Baptized

Three children were baptized at the morning service of the Methodist church last Sunday. They were Stephen Nelson, son of Mr. and Mrs. Wendell Nelson and Richard and Linda Ripley, children of Dr. and Mrs. Richard Ripley.

Evening Circle to be Formed

An evening circle to enable women with small children and women who are employed to participate in the Woman's Society of Christian Service of the Methodist church is being formed. The first meeting will be held next Tuesday evening, Oct. 3, at 8 o'clock in the parsonage at 413 Lake St. All interested women are urged by the officers to be present.

F. W. AUXILIARY PLANS POTLUCK SUPPER

The Auxiliary of the Veterans of Foreign Wars will have a pot luck supper at 6:30 p. m. Monday in St. Paul's parish hall.

Members of the V. F. W. post and their families are invited to the pot luck and the social hour following.

F. W. BUFFET DINNER SUNDAY, OCT. 2

Antioch Business and Professional Men's club will open the season with a buffet dinner and meeting at the Colony House Monday evening, October 2 at 7 o'clock for members and their guests. Reservations may be made with Miss May Hartley.

Cub Pack No. 91

Until Den Mothers are obtained, Cub Scouts without Dens are meeting in the Scout House on Tuesdays 4 p. m. to 5, with the Cubmaster. This Tuesday a little hike is planned. The weekly Tuesday meetings will be on the 1st, 2nd and 4th Tuesdays, with the regular monthly Pack meeting held at 7:30 p. m. on the third Friday in the Scout house.

The Antioch Cub Pack greatly needs Den Mothers and committeemen; it is hoped that some will volunteer in order that the organization may be kept going. The Pack has about 40 members.

Mr. and Mrs. William Dow returned home recently from a vacation in southern Illinois.

Mrs. John Blackburn entertained the members of her canasta club at her home Tuesday evening.

THE CHURCH OF ST. IGNATIUS (EPISCOPAL)

Tel. 652-J
This Sunday, October 1st, the Church School of the Church of St. Ignatius of Antioch will inaugurate a bus service each Sunday morning on the following route and schedule:
Leaving Lake Villa 8:35, on Rte. 21, arriving at Loon Lake 8:40, then arriving at the end of Lake Ave., Channel Lake at 8:55, the bus will turn around and proceed south on Lake Ave., picking up passengers, leaving Channel Lake at 9:05. Then east on Rt. 173 to Tiffany Rd. (9:15) north on Tiffany to North Ave., then to Lake Catherine, arriving at 9:20, turning around one block west of the Morley subd., corner, and leaving Lake Catherine at 9:25 to arrive at the church on Main st., at 9:30.

The bus will stop on signal and will be marked "St. Ignatius' Church School." The service is extended to whole families of the parish, as well as to children of other churches. While the expense of the bus is being subsidized by St. Ignatius' parish, there will be a nominal fee of 15¢ a round trip for children of other churches. The return route will be the reverse of the foregoing, beginning at 10:45.

Adult Confirmation classes begin this Friday, Sept. 29, at 8 p. m. in the Rectory. Any persons interested in the Episcopal Church are invited to attend these meetings.

Religious Survey to be Completed This Weekend

With nearly 50 persons canvassing the entire Antioch area, the Evangelism mission of the Methodist church in Antioch got underway this week. Early reports of the religious survey indicated excellent participation. The five captains are endeavoring to cover every home in the community in the one week allotted to the survey which ends this Sunday.

The mission will reach its climax on October 15 when a Preaching mission lasting a week will be conducted in the local church under the able direction of the Rev. Kermit Long of Trinity Methodist church in Chicago.

W. S. C. S. MEETING WEDNESDAY

The Methodist Wesley Circles will meet at the church Wednesday afternoon, Oct. 4, for a regular business meeting. A sandwich luncheon will be served at 1:30. Miss Belle Richards will give the devotion and Mrs. A. P. Bratrude will talk on the subject "The Healing Gift He Lends." Mrs. E. J. McDougall is circle chairman for the month of October.

Intermediate M. Y. F. PLANS INSTALLATION

The intermediate M. Y. F. of the Methodist church will meet at 3 p. m. Sunday. Following a game of touch ball (weather permitting) there will be installation of officers and a discussion on the subject, "How to be Real."

Mr. and Mrs. Fred Steinman, of New York, returned home Monday after spending the past three weeks with Mrs. Steinman's sister and husband, Mr. and Mrs. James Martin at their Cross Lake home. While here the Steinmans were entertained in homes of Mrs. Etta Carlton, Mrs. Maud Bartlett, Mrs. Kehoe and Mrs. Charles Rasoni. Mrs. Louise Thomas has also been a house guest at the Steinman home recently.

Seventy-five members of the Luthers union and the Spanish-American War veterans were guests at a dinner served at Linder's Sunday, honoring Mr. and Mrs. David A. McAvey on the occasion of the Golden Wedding anniversary. Arrangements for the event were made by the daughters, Mrs. Leulla Click of Greenwood, Ind., and Mrs. Nola O'Keefe of Chicago, Ill.

Mrs. McAvey before her marriage was Mabel L. Temple.

Mrs. W. H. Ryan left Wednesday for Mason City, Iowa, where she expects to spend sometime with her sister, Mrs. Karl Wooldridge.

The Alma Club of the Rebekahs will meet in the I. O. O. F. hall Waukegan Thursday, Sept. 28 instead of the 29th, as formerly planned.

Ralabow Girls Initiate

The Order of Rainbow for Girls held an initiation service Monday evening for Sharon Gray. The girls are planning a celebration of Friends Night on Oct. 23.

Mrs. Clark Kohler was hostesses to the members of the Antioch Unit of Home Bureau, at her home east of Antioch Wednesday. Mrs. Helen Volk, home advisor gave a talk on "Home Makers Look to Denmark."

The Young People's group of the M. Y. F. plan a short business meeting, recreation and a communion service for Sunday, Oct. 1, at 6 p. m. A candlelight communion service for its members, led by Rev. Tuttle, will be the highlight of the worship service.

Last Sunday the Young People's group of M. Y. F. sponsored a movie. John Moyer presented a very interesting movie "I Shot the Globe". The collection was given to the Methodist Building Fund.

Mrs. Emma Nixon, of Los Angeles, Calif., a former resident of Antioch and a sister of John Lucas of Antioch, underwent a major operation of her spine recently at the Huntington Memorial hospital in Pasadena, Calif.

Mr. and Mrs. John Fischer and family, of Hillside, Elmwood, were guests of Mrs. Fischer's aunt and uncle, Mr. and Mrs. L. C. Ross recently. Mrs. Ross expects to return to Lake County hospital Friday for treatment.

Mrs. H. E. Shepard, of Kansas City, Missouri, is visiting her mother, Mrs. H. B. Gaston and other relatives in Antioch.

Mrs. Birdella Schwery, Trevor, Wisconsin and Tom Webb, of Independence, Oregon, spent Wednesday with Mollie Somerville.

CARD OF THANKS

We wish to thank all our friends, neighbors and relatives for their many acts of kindness and sympathy shown us during our recent bereavement in the loss of our loved one, Charles Cobb.

The Cobb Family

City Conveniences Brought to Farms In Past 10 Years

NEW YORK.—Roadside hamburger stands are about the only log cabins left in America's farm areas—thanks to home-building progress of the past 10 years.

In 1940 the farm and small town homes were far behind the city house in comfort and convenience. Today they differ in little but location, says a Title Council of American report on home-building trends.

If farm and small town dwelling improvement in the next decade equals that of the last, modern features such as radiant heating, clay tile bathrooms, and automatic temperature control may be commonplace on the farm, according to the council. The 1940-50 decade, during which farmers spend \$7,000,000,000 on construction, was the greatest era of farm building and improvement in the nation's history.

In the past 10 years about 850,000 new rural homes were built, about 500,000 got major repairs, and 400,000 old farm houses were eliminated. The number of farms wired for electricity was doubled, as was the number with private bath and flush toilet. Now seven out of every ten of these dwellings have electricity, and nearly three out of 10 have private baths and flush toilets.

Housewives are the beneficiaries of these most recent home improvements. Conveniences such as electric dishwashers, kitchen walls of easy-to-clean materials and gas ranges are making life easier for the rural housekeeper.

Delaware Judge Rules Out Witchcraft Trial

WILMINGTON—It is hard to believe, but in the year 1950 a woman was almost tried for witchcraft.

Mrs. Helen Evans, 23, was charged with witchcraft after she allegedly gave a young woman a charm to sleep on after telling her that her handwriting indicated she was under a curse.

The judge, however, ruled that the young mother would not stand trial for witchcraft, but for telling fortunes.

The judge said: "It is unbelievable that a charge of practicing witchcraft could be brought in the enlightened state of Delaware."

Trussed Up Wife Changes Mind About Getting Divorce

SEATTLE—Robert Johnson, a traffic investigator for Boeing Airplane Company, was determined his wife was not going to get a divorce. He was so determined, he tied her up.

It happened like this: They had not been getting along too well, so he trussed her up and tossed her into the family automobile, vowing he would take her back to Osakia, Minn., their former home, and end the divorce nonsense. He took along their 18 month old son.

On the way they had an accident. Mrs. Johnson was taken to a hospital, not badly hurt. Johnson was taken to jail, where he was held for reckless driving.

At the hospital her first questions were about her uninjured son and husband. Then she offered to bail him out.

"Might even move back to Minnesota with him, too," she added.

Radioactive Metals Used In Commercial Research

BRECKSVILLE—Peacetime use of radioactive metals in commercial research, first started here, may bring the first of many contributions to mankind that are expected from this death-dealing wartime discovery.

Under licensing just granted by the atomic energy commission, scientists at the B. F. Goodrich research center are using a four-inch pencil-like rod of uranium metal to "see" particles so small that a million of them laid end to end would cover an inch.

Dr. Howard E. Fritz, director of research, said that the study is being directed toward the compounding of tougher, longer-wearing rubber.

"Once we know all we can about the makeup of the rubber—and being able to see these minute particles is a big step in that direction—we shall be able to improve the quality of the product."

The original uranium "pencil" should last from three to five years, he says.

'Sinners' Donate \$43 To Pay Preacher's Fine

CAMPBELLSVILLE—Tom Meredith, who calls himself the "highway and byway evangelist" was arrested and jailed for violation of the city's anti-loud-speaker ordinance. He was later fined \$10 and cost—a total of \$21.50.

He was also fined \$10 and cost on a second warrant charging breach of peace.

After he was fined, he told Judge Robert Hord he would ask "the sinners to pay" his fines. He was permitted to go outside the court. From the crowd that had gathered he collected \$43 to pay the fines and costs.

Signe E. Carlson Home At Shore Gardens, Fox Lake, Damaged by Fire

The Signe E. Carlson home at Shore Gardens on the east shore of Fox Lake was badly damaged by fire Monday.

The residence formerly owned by Fred Busse, a mayor of Chicago caught fire shortly after Mr. and Mrs. Carlson left for Chicago where they operate a bakery.

Lake Villa firemen captained by Ervin L. Barnstable fought the blaze from 8:30 to 11 a. m. and then returned in the afternoon when sparks were again seen coming from the building.

A hole was burned through the roof around the fireplace chimney. Faulty wiring, however, was credited as the cause. The loss was estimated at \$5,000 for both building and contents.

Farm Adviser Wins Recognition

Farm Adviser Ray T. Nicholas was recently informed that his column entitled "Day by Day with the Farm Adviser" was given a "good" rating at the annual meeting of Agricultural Extension Editors held at Dallas, Texas.

Mr. Nicholas was the only farm adviser in Illinois to receive a rating on columns written by farm advisers. The "Day by Day" column written by the Lake County adviser is one of the features of the Farm Bureau publication, THE DIVERSIFIED FARMER AND HOME-MAKER, which goes to 2600 Farm and Home Bureau members in Lake County.

CARD OF THANKS

We would like to thank the Rescue Squad and all our friends for their acts of kindness extended to Mrs. Arthur after her accident.

Mr. and Mrs. Earl Arthur

County Divorce Records

Court records at Waukegan report the following divorce complaints: Adele A. Holtz vs. Russell G. Holtz, Antioch, suit for maintenance, complaint abandonment.

Rose Marie Mann vs. Volle A. Mann, Newport twp., charge of desertion.

Bert Francis Jordan vs. Betty Ann Jordan, Antioch, charge of desertion. Would leave two children with wife.

Berkshelers Go To Virginia

Lt. (j. g.) Don Berksheler, who reported for duty Aug. 28 at Washington D. C. as a reservist in the navy, is employed in the office of the chief of naval operations. He is expected home Friday, coming by airplane to take his family to Arlington, Va., where they will reside. He has leased his home here and disposed of the household goods.

Return From Auto Trip

Mr. and Mrs. John Horan and Mrs. Horan's mother, Mrs. Ida Osmond arrived home Friday from a 3,200-mile automobile trip to Texas and Colorado. At Fort Worth, Tex., they visited Mr. Horan's brother, Charles Horan, and at Denver, Colo., his uncle, B. J. Murphy. They made many side trips in sightseeing and made the trip to the top of Pikes peak. At Fort Worth the weather was unusually hot for this time of the year.

Livestock Meeting Tonight

An overflow crowd of at least 100 is expected at the Lake County livestock outlook meeting tonight at the Grayslake Community High school, reports Farm Adviser Ray T. Nicholas.

"We had an excellent meeting in 1949," he explains, "with an attendance of 40. This year we're trying for an even better meeting with a bigger turnout."

Men Use Barn And Good Idea To Escape City

QUAKERTOWN — Take a few simple machines from a home workshop, mix well with imagination and at least one sound idea, put together in a cow barn and allow to ferment for two years. The result will be definite proof that opportunity knocks as insistently in the smallest towns as in the largest cities.

At least, two men who turned their backs on big cities found that was so in Quakertown. George L. Setman was a Philadelphia sales executive who decided the small town offered the pleasantest living. Harold R. Johnson, a teacher of aeronautics and an aircraft technician, was bored with New York's gaudy attractions. They met by chance in Quakertown because of a common interest in aviation.

Setman had a large cowbarn on his farm which also served as the Quakertown airport. Johnson had some machinery in a guest house on his country place and was eager to put it to profitable use.

The idea was about as simple and obvious as the rest of their equipment. It was just this: business and industry spend millions of dollars needlessly hauling dead weight because they make cabinets, boxes, hand truck skids, pallets, and all sorts of handling equipment out of wood and other heavy materials. Why not make this material of sturdy aircraft aluminum? With labor costs what they are, wouldn't it be worthwhile to save the wages of one man when one man with an aluminum container could carry as much as two with heavier equipment?

Saves \$120,000 a Year

At the beginning, in October, 1947, cows were undisturbed as the machinery was set up in the mule stables. One man did the work, assisted by airplane pilots on days when weather halted flying.

Then a television manufacturer adopted a handling idea suggested by Johnson and Setman—saving \$120,000 a year. Soon 10 of the 11 television manufacturers had ordered equipment. The cows were sold, the barn remodeled, more men put to work.

A pie baker complained that the plywood pallets on which he hauled pies sagged and ruined pies. It took two men to scrape them clean of fruit juices. They didn't last long when steam cleaned.

That problem was made to order for the Bucks County Enterprises, as Setman and Johnson were now calling their company. Aircraft aluminum pallets didn't sag, they gave the pie bakery a clean and cheery appearance, the pallets could be cleaned easily with steam with no hand scraping. Of course, the original cost was higher but the long run savings were substantial.

35 Men Working

More and more companies learned of the imaginative ideas these men had for saving them money and trouble. Orders flowed in. Workmen remodeling the barn were barely able to keep one step ahead of the mushrooming production department. By early 1950 35 men were on the payroll and workmen were still frantically sawing and hammering away to provide ever more room for more workers.

Setman and Johnson use airplanes to solve one problem the small town manufacturer sometimes has—that is, how to give prompt attention to his customers in larger cities. Both make all sales and service calls and fill rush orders by plane. On one recent day, Johnson kept an 8:30 a.m. appointment in Lancaster, Pa., flew to Washington for an 11 a.m. call and was in New York at 3 p.m. to service another customer.

"Aluminum, as especially the aluminum alloys, are relatively new in the world of metals," Johnson explains. "Few businessmen realize the money saving potential offered by a strong, lightweight metal. Our interest in aviation had impressed us with the possibilities of aluminum in other fields and we just adapted this big general idea to specific needs. We're in the business of selling ideas as 90 per cent of the products we sell we design ourselves. The market is never glutted with sound ideas and it's as easy to sell them from a small town as the largest city. And lots more fun."

Radio Commentator Wins Sitdown Strike on Plane

ZANESVILLE, OHIO—The radio commentator, H. V. Kaltenborn, recently won a strike—a sitdown strike—against an air line.

TWO officials said a man who identified himself as H. V. Kaltenborn boarded the plane in New York without reservation and promised to get off in case sufficient passengers with reservations at other stops filled the ship to capacity.

At Zanesville, it happened, but Kaltenborn refused to leave saying he had to be in Columbus, Ohio by 7:30 p. m. It was then about 5:30 p. m.

Finally, while the station master promised to pay his taxicab fare to Columbus, about 60 miles away. The man would not leave, however, until a cab driver came aboard and provided to get him to Columbus by 7:30.

With that promise he departed.

British Diver Says Spanish Galleon Has Been Found

TOBERMORY, SCOTLAND—The search for a sixteenth century Spanish treasure galleon, reported carrying about \$68,000,000 in gold dust when sunk, has been found according to some reports.

The British navy has been searching for the ship for weeks. They recently came up with two silver medallions from the wreck of Tobermory bay where the search was conducted. The navy, however, called off the operation.

The Duke of Argyll owns the galleon, if there is one, and the treasure. The navy operation was for practice. Any other move to recover the gold is up to the duke.

According to old stories, the galleon Duque Florencia of the Spanish Armada, was sunk in 1588 while carrying gold to pay Spanish fighters attempting a conquest of Britain. A decree of King Charles I gave the wreck to the Dukes of Argyll.

Small boys all over Scotland have thrilled to the adventure. They have read every word printed about the search.

If any gold is found the duke will have to turn it over to the British treasury for modern pounds sterling and a treasury spokesman commented:

"Thirty million gold ducats would make a very useful contribution indeed to the nation's gold reserves." Lieutenant Comdr. Reay Parkinson, boss of the treasure hunt, is confident that the galleon has been found.

Traitor Gives Eyes To Blind Parisian

PARIS—Maurice Bay, was condemned and executed for being a member of the French gestapo organization. As one of his last gestures he offered his eyes to science.

At dawn on the day of execution physicians were at hand to remove the corneas. Upon completion of the execution they were removed and placed in an eye bank at the hospital.

The following day the corneas were transplanted to the eyes of a sightless Parisian. Bay was executed by a firing squad.

Many Captives in Russian Labor Camps, Returnees Say

LEBBA—German prisoners returned from Russia—191 of them—laughed with bitterness when informed that the Soviet reports all but 13,000 of them have been returned to their homes.

"Why, there are tens and tens of thousands still there. We just left them, just in the camps we came from," one said.

"Why, the Russian officers themselves told us in Brest-Litovsk two weeks ago that they expected another 150,000 to go through that one transient camp," said another.

Each of the tattered, vermin-infested men on the train had a personal story of a Russian slave camp still filled with prisoners.

One man said, "I saw them working in a coal mine, standing in water up to the waist. They are all sick from it."

Albert Rether, 28, said: "We were always hungry. They gave us enough to live on, but not little enough to die."

Another said: "Hunger is what most men died of. Hunger and typhus. Nobody will ever know how many. At Brest-Litovsk, from 1945 until now, they buried more than 3,000."

Rolling Pin Rule Is Enthroned in Ozark Town

STELLA—The name Stella is a woman's name, so the women of Stella—the town—took over after a recent election and are running the community.

It all began when the ladies had their names placed on the ballot as a joke. The men in the little community of 300 thought it would be a better joke to give them a vote or two.

The result—Stella has a woman mayor and all-woman city council. The mayor is a spinster, Norma Westcott. She opened the first meeting of the council using a rolling pin instead of a gavel.

Said the mayor: "We women believe the town has been needing new blood for a long time. The men have run the women as long as we've had a town. Now it's their turn to jump when we say 'frog'."

The first major problem that faced the new administration was the appointment of a dog catcher—a woman in an administrative capacity and a man as her assistant to do the work.

Ungrateful Owl Nips Nurse And Hand That Fed Her

TENAFLY—Hildegard, an owl, has nipped the hand that feeds her. Hildegard was struck by an automobile and injured. Mrs. Herbert E. Carnes, president of the New Jersey Audubon society, nursed the owl back to health.

Recently, while showing Hildegard to visitors and after feeding the owl ice cream from a spoon, the bird attacked Mrs. Carnes. It required hospital treatment to close the wounds.

Hildegard has been banished from the sanctuary.

CHRISTIAN SCIENCE CHURCHES
The subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 1, will be:

UNREALITY
The Golden Text is:
"What is the chaff to the wheat? saith the Lord" (Jer. 23: 28).
Among the citations which comprised the Lesson-Sermon, the following are from the Bible:

"They... have made them molten images of their silver, and idols according to their own understanding, all of it the work of the craftsmen... Therefore they shall be as the morning cloud, and as the early dew that passeth away... Yet I am the Lord thy God from the land of Egypt, and thou shalt know no god but me: for there is no saviour beside me" (Hos. 13: 2,3,4).

The Lesson-Sermon includes the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy:

SHORT STORY

Annette Passes Out

By Richard Hill Wilkinson

IN SEPTEMBER Bill decided he wasn't in love. He told himself it had been a summer romance. He regretted it. He couldn't walk out and leave Annette flat. He had to offer some sort of explanation.

The wind whipped in their faces as the roadster sped through the night. Annette snuggled contentedly at his shoulder.

He swung the roadster off the highway. They bumped along a wagon road, presently emerging into a clearing. Bill stopped. Toward the north the horizon was illuminated by a dull glow. Lights from the town.

Bill turned. Annette said: "Oh Bill, I'm so glad we came out here. It was here you first told me you loved me. Remember?" "Sure. I remember."

"Say it now, Bill. Say you love me!"

Bill had intended to say just the opposite. Without knowing why, he panted. He spoke, but what he said was: "Of course I love you. You know that." It was as if she impelled him to say it.

"Kiss me, Bill. Kiss me and say it again."

He kissed her, repeating the words, cursing himself for doing so. Why did she have to cling to him so?

He got a grip on himself. He formed the words in his mind. "Bill, I've got a surprise for you."

"Surprise?" "I'm going back to Belfast with you. I've got a job there for the winter. We'll be together all winter. Bill, isn't it grand?"

Lord! Now he was in for it. He hadn't expected that. Well, he'd have to be blunt, cruel. He'd have to tell her once and for all.

"BILL!" There was terror in her tone. He turned quickly. She was looking away from him toward the horizon where the dull glow had been. The dull glow he had thought to be town lights had developed into astonishing brilliance.

"Fire! The whole ridge is ablaze. Say, we'd better get going!"

He jammed his foot down on the starter. The motor whirled, and that was all. Bill swore, yanking out the choke. There was a sputtering whine, a cough, silence.

Bill opened the roadster's door. "Come on! Engine's dead. We'll have to run for it."

He yanked her out of the car, started running along the wagon road, dragging her behind him. He hadn't realized that fire could be like this. The speed of its approach amazed him.

"Bill! Wait! You're going too fast."

Bill turned just as she fell forward. He knelt beside her. "Try

"I'm going back to Belfast with you," Annette said. "I've got a job there for the winter."

and get up. We've got to keep going. It's our only chance."

Pitifully she tried, sank to the ground, moaning softly. He stooped and lifted her in his arms.

"Bill, don't! You can't! Go on and leave me. There's no use in both of us—"

He went on blindly. Behind him now he could hear the crackle of flames. The road ahead was alight from the brilliance of the fire. It required an effort to move.

Then suddenly, ahead, he saw the main highway. There were lights there. The lights from automobiles and trucks.

Bill lay sprawled in the back seat of a joggling touring car. He opened his eyes and saw Annette. Behind her the sky was dull red.

"Bill, why did you do it? Why didn't you leave me there when—when you knew—"

He said: "Say, what do you take me for? Leave behind the girl I love!"

"Oh, Bill, I've known for a month you didn't. I wouldn't let myself believe I was losing you. I wouldn't give you the chance to tell the truth."

Bill swallowed. So that was it! So that was the reason she had— Suddenly he lifted her in his arms. "Annette," he whispered, "say you love me. Say it, and kiss me, darling."

HEALTH HINTS for LIVESTOCK

PREPARED BY AMERICAN FOUNDATION FOR ANIMAL HEALTH

CALF DEATHS HIGH: ONE OF FIVE LOST

About one calf out of every five that is born never lives to produce milk or beef.

Some calf losses are bound to occur, but if all farmers would apply proved preventive and treatment methods, at least half of the total loss could be avoided.

Some calf deaths are related to poor feeding and care of pregnant

Proper care will save more calves.

cows. Poorly ventilated, sunless or unsanitary calf barns are also linked with sick calves. Scours and pneumonia likewise rank as top calf killers, while parasites come as a close second.

Recent studies have proved just how important housing can be in

saving calves. Even on farms having a long history of high calf mortality, veterinarians and herdsmen have worked out housing systems which have brought a marked decline in the number of calf deaths.

In avoiding sick and dead calves a little prevention is ever so much better than attempts at salvaging animals already sick. Before the next calf crop is due, the farmer should survey his calf nursery. He should be sure that the calf quarters are sanitary, well ventilated and with access to sunlight.

All new-born calves should get the colostrum, or "first milk", but should not be overfed.

Colostrum is highly fortified with vitamins and minerals. It was designed by nature to give young animals the best possible start in life. Ordinary milk cannot take its place.

If previous losses from scours or pneumonia have occurred, it may be a wise caution to have serum given to each new-born calf. If any calves scour or breathe heavily, a veterinarian should be called promptly, as these are signs that denote real danger.

Protection for Tools

The finish on tool handles supplies attractive color and also protects the handle from rough handling by greasy, gritty, moist palms. As for the tool box, the finish has to adhere well and dry quickly to a smooth hard coating that will not be affected by lubricating oil and grease. It should also keep the box new-looking for a long time.

Perspiration

Perspiration is a secretion given off by over two million glands in our skin. It is mixed with sebum, an oily, heavy viscous liquid, and cast off cells of the skin. It becomes contaminated with bacteria on the skin, hair, air, and on our clothes. These bacteria decompose human perspiration and this decomposition causes its odor.

Use a Bleach

Hydrogen sulfide fumes from sewage, industrial plants and other sources tend to darken some paints to a metallic gray resembling graphite. By sponging the surface with hydrogen peroxide or other bleaches—or a dilute solution of muriatic acid—the discoloration may be made to disappear quickly.

Chinese "Dress Money"

If you wanted to buy a new dress in the China of about 300 B.C., you were out of luck if you fished in your purse and could not find a coin shaped like the human body. That was the Chinese "dress money," and other early Chinese coins were shaped like the articles they would purchase.

Unknown Diabetics

Insulin has been prominently mentioned in the headlines recently because of the current drive to uncover one million yet unknown diabetics. In this connection, a new invention of mass detection of diabetes by means of a three-minute test for higher-than-normal blood sugar, has been announced.

Garnishing Soup

Dress up soup with garnishes such as bread cubes pan-fried in margarine or bread cubes pan-fried in garlic-flavored margarine.

939 MAIN ST. ANTIOCH, ILL.

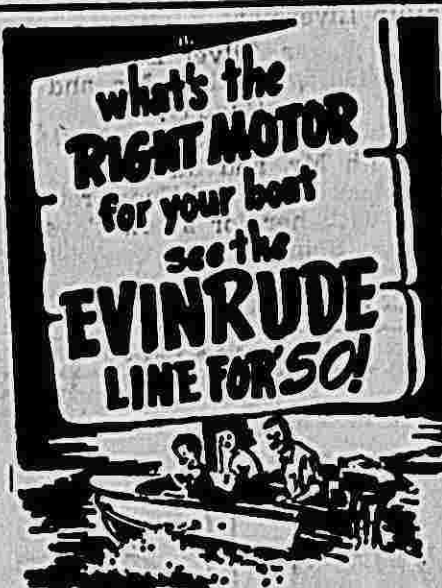

Heart Research
According to American Heart, the new quarterly publication of the American Heart Association, the latter organization allocated approximately \$700,000 last year for heart research. Awards from the national office totaled \$250,000 in 1949, and funds spent by affiliates, the New York and Chicago associations, made up the rest. A minimum of \$380,000 from 1949 campaign funds has been earmarked for future research awards.

Greenland
Soft coal to meet most of west Greenland's heating needs is mined on Disko Island in 70 degrees, north latitude. Its presence is proof that this frigid region was once forested.

Hay Bands
Colored hat bands on men's straw hats were first introduced in England nearly one hundred years ago.

Thomas Blanchard
Thomas Blanchard (1788-1884) invented the first profile lathe, an automatic tack-counting device, and a steam carriage.

Growing Bamboos
Bamboos can be planted at almost any time of the year. In their soil requirements they are not particular. Any garden soil that drains readily will grow bamboo.

It's Evinrude that offers a complete line—6 models—1 1/2 to 33 1/2 certified horsepower. Drop in, we'll be glad to help you choose the right one for your boat!

Color Aids Sales
A manufacturer of brooms found that attractive color played a large part in the sale of his products when he discovered that an inferior grade, with colorfully painted handles outsold—by 3 to 1—a better quality broom with an unpainted handle at the same price.

Colorful Plant Holders
Attractive plant containers for your living room or porch can be made from shallow bread pans, available at your hardware or house-furnishing store. The pans can be easily coated, inside and out, with enamel to blend with your furnishings.

E. Rudolph, owner

Heating chopped or sliced onion
in a little fat helps draw out and distribute the onion flavor in stews and stuffings. Many good cooks let sliced onion stand in French dressing awhile before mixing the salad, as a means of stretching flavor.

Katherine The First
Katherine Child probably belonged to the first woman's auxiliary of master painters in this country. Her husband, Thomas Child, Boston painter and paint maker in the 1700's had her initial in the coat of arms of the painters' guild of London of which he was a member.

WILMOT

Miss Alice Ann Mittelstaedt, daughter of Mr. and Mrs. Otto Mittelstaedt of 851 North 11th St., Manitowoc, was married at 3:30 p. m. Saturday to John Henry Swartz, son of Mr. and Mrs. Roy Swartz of Kenosha. The Rev. Roland Schwandt performed the ceremony before the altar of First Lutheran church, Manitowoc.

Rufin Boyd, of Manitowoc played the organ and accompanied Mrs. Harry Pehrson when she sang "I Love Thee" by Gregg, "The Lord's Prayer" and "My Heart is Like a Singing Bird." Bouquets of white chrysanthemums and gladioli and candelabra decorated the altar. The pews were marked with white satin bows.

The bride, given in marriage by her father, wore an ivory duchess satin dress with a net yoke outlined with two folds of satin, forming an off the shoulder effect. The fitted bodice, and the long sleeves, which came to points at the wrists, were closed with tiny satin covered buttons and the full skirt swept into a long circular train.

Her pure silk French illusion veil had been worn by her sister, Mrs. Fred Borchardt, Jr., at her wedding. The two tier veil was held in place

by a braid of satin entwined with seed pearls. She carried an over arm bouquet of fleurs d'amour and lilies of the valley centered with a white orchid.

The bride's sister was matron of honor and wore a dress fashioned with a fern green starched marquisette over taffeta skirt, and marquisette over lace bodice. The waistline was accented with a wide gathered band of matching green taffeta. She carried a bouquet of tall-man roses. Miss Dixie Fulton and Miss Phyllis Hammond were the bridesmaids and wore dresses like the matron of honor's. They carried over arm bouquets of golden ranunculus roses and bronze pompons tied with yellow ribbons. They wore clusters of yellow roses in their hair. Paul Swartz, of Wilmot, brother of the bridegroom was best man and ushers were Fred Borchardt, Jr., brother-in-law of the bride and Mark L. Hooper, Jr. The bride's mother wore a moss green crepe dress with matching accessories and the bridegroom's mother wore a cedar brown crepe dress with gold and brown accessories. Both had corsages of orchids.

A rehearsal dinner with Mr. and Mrs. Borchardt as host and hostess was held Friday evening at Hotel Manitowoc and a reception at the Lakeside Country club followed the

ceremony. When the newlyweds leave on a wedding trip to northern Wisconsin, the bride will be wearing a dark green suit, tangerine colored hat, brown accessories and an orchid corsage. The bride is a graduate of the University of Wisconsin, where she affiliated with Alpha Xi Delta sorority. The groom is also a graduate of the U. of Wis., and is a member of Tau Kappa Epsilon fraternity of which he was president. He is in the army reserves and on Oct. 2 will report for active duty at Fort Lewis, Wash.

Mr. and Mrs. Winn Peterson spent Tuesday with Mr. and Mrs. Ray Kinnead of Belvidere.

Dr. John Sylvester, of Waukegan, was a Sunday dinner guest of Merlin Peterson.

Mr. and Mrs. Anthony Sebens and family, of Kenosha, were Tuesday dinner guests at the Rausch-Peterson home.

Mr. and Mrs. Elmer Frank and family spent Sunday with Mr. and Mrs. Alvin Pagel and Frieda Pagel.

Mr. and Mrs. Alvin Pagel and family, Frieda Pagel spent Friday evening with Mr. and Mrs. Charles Pella, of Burlington.

The newly organized Kettle Moraine Women's club held their first meeting at the home of Mrs. Roy Swartz at Fox River Park Monday evening with 40 ladies present. As-

sisting hostesses were Mrs. Marlin Schnurr and Miss Anna Kroncke. A set of by-laws were drawn up and 36 memberships accepted. The program included a biography of Stephen Foster given by Mrs. Raymond Forster. Mrs. Michaels read an article on the price of clothing in 1900, and Mrs. Schnurr and Mrs. Charles Barber gave interesting information on the Kettle Moraine. The first Monday of each month was chosen as meeting day. The next meeting will be held at Mrs. Michaels home with Mrs. Lillian Roberts and Mrs. Oscar Bolstad and Mrs. Chester DeWitt as hostesses.

Mrs. Douglas Clayton had a peach tree which produced five bushels of peaches this year.

Elona Sarbacker, Grace Carey, Anna Kroncke and Florence McDougall attended the Cardinal Bus Line meeting at Chicago Tuesday.

Mr. and Mrs. Paul Ganzlin spent Friday at Kansasville with Charles and Paul Schmalfeldt.

Donald Elwood is a patient at the St. Therese hospital at Waukegan. He had the misfortune to fall at the school Saturday.

Bobby, Dorothy Ann and Tommy Sarbacker of Carol Beach, spent the weekend with their grandparents, Mr. and Mrs. Herbert Sarbacker.

Mr. and Mrs. Harvey Brown returned Monday from a week's vacation spent at Merrill, Wis., with Phillip Livermore.

Lyle Faber, Silver Lake, Hassel Faber, Ohio, called on Mr. and Mrs. Paul Ganzlin Sunday.

Mrs. Gust Neuman spent Thursday with Mr. and Mrs. Matt Thom at Schaumburg. Paul Thom returned home with her for a few days.

Mrs. Selma Jedele, Kenosha,

spent Sunday with Mr. and Mrs. Gust Neuman.

Mrs. Edward Tichy and son, of Barrington, spent Sunday with Elsie Elverman.

Rev. and Mrs. Raymond Newell, of Eagle River, spent Monday with Mr. and Mrs. Ervin Rasch.

Mr. and Mrs. Alfred Oetting and family, Mr. and Mrs. Frank Zarnstorff spent Monday evening with Mr. and Mrs. Frank Zarnstorff, Jr., Richmond, in honor of Dennis Zarnstorff's birthday anniversary.

Mr. and Mrs. Frank Zarnstorff, Sr., spent Saturday at Burlington with Mr. and Mrs. Gust Leutten.

Mr. and Mrs. Wm. Bullamore and family, Kenosha, Miss Marion Bullamore were recent guests of Mr. and Mrs. Ervin Rasch. Miss Bullamore recently returned from Africa, where she spent 21 months with a missionary.

Mr. and Mrs. Otto Loppow, Worthington, Minn., Mr. and Mrs. Fred Rasch spent Wednesday evening with Mr. and Mrs. Ervin Rasch.

Mr. and Mrs. Elmer Rasch, Shirley, Glen and Melvin, Mr. and Mrs. Ervin Rasch and family, Mr. and Mrs. Fred Rasch, Mr. and Mrs. Lyle Rasch and family attended the wedding of Melvin Letting-Doris Walraven at the Somers church Saturday.

Mr. and Mrs. Melvin Lake, Mr. and Mrs. Cyril Pacey spent Saturday evening with Mr. and Mrs. Roy Haller, Kenosha.

Mr. and Mrs. Ervin Rasch and family, R. J. Austin, Mr. and Mrs. Elmer Rasch and family, Mrs. L. E. Sweet attended a picnic dinner at Fox River Park Monday evening in honor of Shirley Rasch's birthday anniversary.

Mr. and Mrs. Herman Frank, Beverly and Richard, Bertha Harms, and Donald Weinke spent Sunday with Mr. and Mrs. Oliver Balza at Moline, in honor of Bobby Balza's birthday anniversary.

Midsummer Lawn Care

Midsummer weather is tough on lawns. To help the turf survive the hot weeks: (1) Feed the lawn with turf builder type fertilizer to lend vigor; (2) Water thoroughly whenever soil shows signs of drying out; (3) Cut grass no shorter than 1-1/2 inches. Longer grass retards evaporation, protects tender stalks and root systems from blistering sun.

Fats for Cooking

Are you pennywise in the matter of fats for cooking and table use? Butter or margarine, of course, are preferred for spreading bread and rolls. But lard, vegetable fats or oils are fine for baking, while bacon fat and meat drippings make excellent meat pies, and for seasoning casseroles, stew and warmed up foods.

Keep Off Pasture

Do not turn the dairy helpers out to pasture during the first year of their lives. The calves will eat so much grass that they will not have room for better growth promoting feeds.

LEGAL

Adjudication and Claim Day Notice NOTICE IS HEREBY GIVEN to all persons that the first Monday of November, 1950, is the claim date in the estate of Raymond Pregonzer, Deceased pending in the Probate Court of Lake County, Illinois, and that claims may be filed against the said estate on or before said date without issuance of summons. STATE OF ILLINOIS, ss.
LAKE COUNTY,
In the County Court of Lake County
In the matter of the petition to annex Real Estate in School District 33 to Consolidated School District 34.

General No. 10299
TO ALL PERSONS INTERESTED:
YOU ARE HEREBY NOTIFIED that certain individuals, being all of the owners of record of the following described real estate:

The East 4 rods of the South 10 rods of the South East quarter of the South West quarter of Section 20, Township 46 North, Range 10, East of the 3rd P. M., in Lake County, Illinois and the West 4 rods of the East 8 rods of the South 8 rods of the South East quarter of the South West quarter of Section 20, Township 46 North, Range 10, East of the 3rd P. M., in Lake County, Illinois.

said real estate being in School District Number 33, Lake County, Illinois, petitioned the County Court of Lake County, Illinois on September 11th, 1950, praying that said real estate be annexed to Community Consolidated School District Number 34 in said Lake County, Illinois, which is adjacent to and adjoining said School District Number 33 and said real estate.

Said County Court has set said petition for hearing on October 2, 1950 at 10 o'clock A. M. Central Standard Time of said day in the room usually occupied as a Court Room in the Court House, at Waukegan, Lake County, Illinois.

Northern Alaska

An abandoned land of approximately 70,000 square miles is northern Alaska, from the towering ice peaks of the Brooks mountains to the Arctic coast. Two or three generations ago it contained a population of more than 3,000 nomad caribou hunters. They were exceptionally tall Eskimos with apparently a strong Athabascan Indian intermixture. Now a single group of less than 40 is left alive.

First Adding Machine

William S. Burroughs, bank clerk turned machinist and inventor, was granted his first patent in 1888 for the first adding machine. He had two sound fundamental ideas—the pivot principal and the locked keyboard to eliminate errors after a total was computed—which still exist in these machines today.

London Girl Is Lonely White Queen Of African Tribe

SEROWE, AFRICA—A pretty former London stenographer, now the white queen of the black Bamangwato, is probably the loneliest woman in Africa although she is surrounded by hundreds of her subjects and many white people.

She is also aware that her marriage to the Bamangwato chief has brought to the fore the touchy question of Britain's relations with the non-white races of the empire.

She is isolated because the British have forced her husband to return to London and he cannot return to his tribe for five years. Her isolation is increased because the white colony of Serowe will have nothing to do with her.

The whites look down on mixed marriage. At the town's few social occasions they studiously ignore her. She gets no invitations from them and she has no white callers.

One young white couple who were her friends and sometimes called on her, have been transferred. There was little doubt that the move was officially inspired.

Her palace is a simply furnished brick and mortar home on the outskirts of the mud hut capital. The house is surrounded by a high wall of thorn trees.

She has a Bamangwato cook, but does most of the shopping herself. She uses a 1949 automobile for such trips.

The house has no electricity, although wired, and no sewage system. A battery-powered radio is almost her only line with the outside world.

Although she is isolated and has no friends, she is determined to stick it out until her husband can return. He made one short visit about five months ago and will make another when their child is born.

Emperor of Japan Studying Christianity

CARDIFF, WALES—Dr. Toyohiko Kagawa, a Japanese evangelist, told the British council of churches that the Japanese emperor is being instructed in Christianity.

The evangelist said the empress is receiving the instructions and that she, in turn is teaching the emperor, once regarded by all Japanese as semidivine.

He said there were fewer Japanese Christians now than before the war, but that a Christian revival was underway. He added that in every place there is a struggle going on between communism and Christianity.

Navy Uses Fort Knox Gold For Cosmic-Ray Research

WASHINGTON — The office of naval research announced recently \$200,000 in gold had been borrowed from the Fort Knox vaults for use in new cosmic-ray research.

Four hundred pounds of gold were used as a new material for intercepting the invisible rays and causing them to produce "showers" which then can be photographed with the help of special apparatus. Previously, lead had been used for the material.

O.N.R. officials said all but \$2.25 worth of the metal was returned to Fort Knox.

Gold bricks were machined into special plates and highly polished, a navy research man said. "The cosmic rays actually effected no major changes in the gold itself," he added.

After the four-month job was finished the gold was assayed to determine any change in purity. The navy reported no change.

Winston Churchill Paintings To Adorn U.S. Yule Cards

KANSAS CITY—Winston Churchill's paintings will appear on American Christmas cards this year, the first time the British wartime premier has permitted reproduction of his work for such a purpose.

The Hallmark greeting card company negotiated a three-year contract with Mr. Churchill, a famed amateur painter, for use of 18 of his canvases which are now on their way to the United States. The paintings remain the property of Mr. Churchill, however.

His work has never been exhibited in this country, according to Joyce C. Hall, head of the greeting card firm, and he has never sold a painting. One was donated last year to the British YWCA and was auctioned for charity. Others have been given to Franklin D. Roosevelt, Henry Luce and Bernard Baruch.

A representative of the firm selected the 18 paintings in London from nearly 200 which Mr. Churchill has painted in the last 25 years.

Power Lines Hit Tree, Electrocutes 1,000 Birds

LA JUNTA—A power line electrocuted 1,000 birds here during a storm.

The wet power lines sagged against the wet tree branches used by the birds as a roost. Witnesses said that one second the birds were chirping merrily, and the next instant all were quiet except for the soft thump of the falling bodies from the tree.

MOTHER OF MR. C. E. HENNINGSON DIES WED.

The C. E. Hennings family received word today of the passing of Mr. Hennings' mother, Mrs. L. V. Doll, Chicago. Mrs. Doll died yesterday in Chicago. Funeral arrangements have not as yet been completed, due to Mr. and Mrs. Hennings being in California.

Army Recalls Lake Villa Man

Recall to active army duty as a reservist is taking Ralph Nader, 22, Lake Villa from his German wife and a 7-month-old daughter with their home in the process of being built. Nader, a veteran of occupation forces in Germany has been home in the United States only since April.

Oberammergau Passion Play Is Revived

OBERAMMERGAU, Germany — For the first time in 16 years, the world-famous Oberammergau Passion play was presented in the village where it originated.

And something new was added to the revival. Six year old Johnny McMahan, son of Major and Mrs. John McMahan, Boise, Idaho, appeared with his fellow students at the German school as part of the choral background. Major McMahan is stationed in Germany with the U. S. Army. Johnny, incidentally, speaks better Bavarian than English.

Eyes of the capacity audience, however, were centered on the bearded and long-haired Anton Preisinger, 37, a self-admitted former Nazi who played the role of Christ. A demure 16-year-old woodcarving student, Annemie Mayr, played the Virgin Mary.

Inkeeper Plays Christ A stocky and mild-mannered innkeeper, Preisinger gave a forceful performance. Clad in a pale-yellow robe with a crimson cloak over his right shoulder, he appeared in the first scene driving the money changers from the temple.

He has appeared in three other Passion plays — the first time in 1922 as an angel. But this was his first appearance as Christ.

Gray haired Alois Lang, who played the part of Christ in the last performance in 1934, read the prologue. Garbed in a golden robe, he was accompanied by a gray-robed choir of 50 men and women.

As the choir filed off the stage, the curtain fell back revealing a street scene in Jerusalem with hundreds of men, women and children in red, blue, green and yellow costumes, strolling in the scene.

Christ then stepped into the throng and the first words of the play rang clear:

"What do I see here? Is this the house of God? Or is it the market place?"

Let Hair Grow for Years

The men and boys in the scene had let their hair grow to their shoulders during the past year to give themselves a biblical appearance.

The Passion play was first staged by the townspeople in 1634 in gratitude for the ending of the black plague which had stricken the population. At the time of the plague the people vowed to put on the pageant periodically if it would stop. There were interruptions during the first and second world wars.

Preisinger was chosen to portray Christ only after a heated controversy. Several other former Nazis, all of whom have been declared denazified, also were in the cast.

Little Johnny McMahan, costumed in a pale-blue robe resembling a nightshirt and with his hair down to his shoulders like the rest of the boys, played the part of one of the town boys in the Jerusalem street scene. He also appeared in several tableaux.

After it was over, Johnny said, "It was fun."

Youth Learns How Much Difference 72 Hours Makes

WASHINGTON — Just 72 hours can make all the difference in the world in anyone's life. Charles G. Keefe learned the hard way recently.

Keefe lost both legs in an automobile accident. The U. S. court of appeals affirmed a lower court decision awarding him \$25 a week for 300 weeks as compensation. In its decision, the court noted that the grant was the maximum permitted under the city's compensation law at the time of the mishap.

"Seventy-two hours after appellant was injured, the schedule of damages was amended so that appellant, had he come under the new law, would have received \$25 a week for life," the court said.

The court added: "We regret we cannot render judgment in favor of a young man who has been struck down in the very prime of life."

Keefe is 22, married and has two children.

Bowling News WOMEN'S HANDICAP LEAGUE

Isabel Cook, Secy. Salem Recreation lost two games to Kemp's. R. Moreth 467 for Salem Recreation and J. Harden 459 for Kemp's.

Seyfarth's took all three games from the Art Corner. D. Bauer 478 for Seyfarth's and K. Lasco 355 for the Art Corner.

Bud's lost two games to Slide Inn. J. Schneider 424 for Bud's. H. Segelke 529 for Slide Inn.

Pagels won all three games from Mehrings. T. Bauman 418 for Pagels and C. Skalak 418 for Mehrings.

Linder's lost all three games to Our Country Club. H. Hawkins 462 for Linder's. Anne Rogers 492 for Our Country Club.

High team series Seyfarth's 845, 730, 749—2324. High individual game D. Ferris 202. High individual series D. Ferris 178, 202, 180—560.

WOMEN'S MAJOR LEAGUE High game Elsie Hays 205. High series Louise Fernandez 154, 200, 150—504.

Casey's took two out of three games from Blums. H. Beruhn 458

for Casey's. L. Fernandez 504 for Blums.

Barnstable and Brogan won two games from Reeves. K. Kasting 443 for Barnstable and Brogan. E. Hays 495 for Reeves.

Bussie's won two games from Johnson's. H. Segelke 449 for Bussie's. L. Bernhagen 455 for Johnson's.

Lake County Enlistments Rapidly Increasing

According to information just released by Sgt. 1/c Miles I. Lihn, Recruiting Officer for this area, enlistments in Lake County have been climbing steadily since the outbreak of the Korean conflict. The USA and USAF Recruiting Service with offices in Waukegan enlisted 35 men and two women for the Army and the Air Force during the month of August. This figure is the largest for any month the Waukegan office has ever experienced. And by present indications this amount of voluntary enlistments will be exceeded by at least fifty percent for the month of September.

The sustaining and constant increases in men volunteering for the two services is due in some instances to purely patriotic motives; but for the most part the selective service activities are responsible,

for Casey's. L. Fernandez 504 for Blums. Barnstable and Brogan won two games from Reeves. K. Kasting 443 for Barnstable and Brogan. E. Hays 495 for Reeves. Bussie's won two games from Johnson's. H. Segelke 449 for Bussie's. L. Bernhagen 455 for Johnson's.

Bearing out these facts are the large number of college men who recently have been leaving well paid stable positions or postponing further studies in order to enlist and not be deprived of the opportunity of going to an officer candidate school.

Men in the draft age bracket are reminded that once they receive a pre-induction notice to report for physical examination from their selective service boards they are no longer eligible for volunteer enlistment of any type and are frozen from that time on for induction at some future date.

Gardini vs. Zuma Saturday Benito Gardini, ex-citable Baltimore heavyweight tests the talents of Zuma, Man from Mars, next

Saturday night in the sixty minute main event in the high school gymnasium in Libertyville. The bout is to a two out of three fall verdict.

C. J. VENN, 66 BURIED WEDNESDAY

Charles J. Venn, 66, died at his home at 877 Milwaukee Ave., Sunday, Sept. 24. Mr. Venn was the son of the late Doctor and Mrs. Charles Venn, and has spent his summers for the past fifty-two years at Venn's Island. Survivors are a brother, Henry and a sister, Louise Juhnke. Funeral services were held Wednesday from St. Boniface church. Interment was in St. Boniface cemetery, Chicago.

State Line Garage Sold

James I. Chase, of Palatine, Ill., has purchased the State Line garage and service station from Mrs. Charles Alvers. The transaction was completed Wednesday, Sept. 20. The garage was operated by Mr. Alvers until his death.

Recalled to Army Duty

Morris Verkest, a member of the U. S. army reserve, has been recalled for service and will leave next Tuesday for Camp Hood, Tex. He is an employee of the Antioch Milling Co., and has a family.

no matter what you can afford to pay...

A&P Coffee is the coffee for you

EIGHT O'CLOCK 1-LB. BAG 77c 3-LB. BAG 2.25

RED CIRCLE 1-LB. BAG 78c 3-LB. BAG 2.28

BOKAR 1-LB. BAG 79c 3-LB. BAG 2.31

NO COFFEE GIVES YOU MORE FOR YOUR MONEY! Whether you like mild, medium, or strong coffee, there's a thrifty A&P Coffee for you. Penny for penny... there's no finer coffee in any package at any price. Yet A&P Coffee sells for less than comparable quality coffees. One reason: because the profit on A&P Coffee is only 1c a pound. Change now—and save!

NO COFFEE GIVES YOU MORE GOOD CUPS PER POUND! That's one of the reasons A&P Coffee is America's favorite by millions of pounds! More people drink A&P Coffee than any other. In fact, our Eight O'Clock blend alone outsells any other brand of coffee in the world!

AND NO COFFEE GIVES YOU MORE RICH FLAVOR PER CUP! Not a single pound of A&P Coffee is ground until you buy. Then the roaster-fresh beans are Custom Ground to one of seven degrees of fineness just right for your coffee-maker. Naturally, you get more rich, full flavor!
